Dear Hugh and Jane:

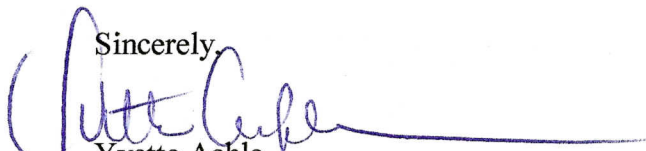

I just wanted to personally thank both of you for participating in Albany, Georgia's first air show in over 20 years. The local feedback has been wonderful. We have even had people call one of our local papers in the anonymous "squawk box" and complement the community on a fun and well-attended activity.

The music and announcing was first-rate, and your commentary held everyone's interest.

The Albany-Dougherty Aviation Commission is ecstatic that Southwest Georgia came out to support aviation, and that the performers were so professional and did such a great job.

Thank you again for giving South Georgia a spectacular performance and we are looking forward to having you again in Albany for our next air show. Keep in touch!

Sincerely,

Yvette Aehle
Airport Director
