Dear Hugh,

The weekend of October 16 and 17 will long be remembered in the minds of many of the residents of the CSRA as being one filled with excitement from the Boshears Skyfest 2004. The hard work and preparation paid off. According to our records, there was a 30% increase in ticket sales over last year. The event was a huge success. Our sponsors and contributors are proud to be associated with the Boshears Skyfest.

On behalf of the entire Boshears Skyfest 2004 committee, I would like to thank you for your involvement with our event as the premiere announcer of our the show. The patrons enjoyed seeing the planes and the acts, but most of all enjoyed talking with the pilots about the aircrafts and their flying experiences. We recognize that your ability to carry the conversation during the show and also during the downtimes played a big part in helping make this year's show a success. Persons all over the field were heard saying how much they enjoyed your dialogue. This force of teamwork will help keep the air show tradition alive in Augusta. We hope your stay in Augusta was a pleasant one and you will consider joining us again for future shows.

We look forward to working with you again. If you have any ideas of how we can improve the show, please let us know.

Again I thank you for your support in this worthwhile venture.

Best regards,

Brad Kyzer  
Chairman 2004
