Dear Mr. Hugh Oldam Jr.,

Thank you for your contribution to Joint Base Charleston's 2011 Air Expo, certainly one of the best Air Expo's the Lowcountry has ever seen! Your public presence helped ensure that Team Charleston graciously entertained and safely enthralled over 75,000 guests while displaying the dedication and professionalism that we have become known for. The crowd barely noticed the 26 airline arrivals and departures due to your superb announcing. Thank you for helping produce a fantastic show! We look forward to having you announce our next Air Expo.

Your efforts helped to make the Air Expo an overwhelming success. The praise from the local community and goodwill that it fostered will be felt for years to come.

Sincerely
