Dear Hugh & Linda,

The signs are all down, the grounds back to normal and the JAARS hangar is once again full of airplanes, not chairs.

Just a short note of appreciation to the two of you for the excellent job you did on May 20th. I don't think we've ever had so many good comments on an event like this before. Thank you for your time, the use of your equipment and your willing attitude to be part of our program this year. You did a great job as usual.

I "guestimate" that we had somewhere around 2,000 people out. People came as far as Connecticut! Even though we sold left over food at a loss, it still looks as if we're going to make expenses.

Thanks once again. If there's anything we can do for you, don't hesitate to ask. And remember, the JAARS 'welcome mat' is always out for you guys.

Sincerely,

Skip Holmberg
Director of Development
