Anderson, S.C. 29624

Dear Hugh:

I would like to take this opportunity to thank you on behalf of the May-Fly Directors and the Florence City-County Airport Commission for the tremendous effort you devoted to May-Fly this year. While the event did not accomplish all of its objectives, it has received nothing but praise from almost every quarter.

Although we tried to foresee any potential problem and head it off in our planning sessions, it seems that invariably circumstances arose that we had not considered. This year was no exception and I, personally, want to thank you for the way in which you handled sometimes difficult situations. Without your experience we would have certainly had some major problems.

In planning May-Fly '88 I think it would be very helpful if you would attend at least one of our planning sessions to lend us your expertise. Plans are already underway and in the fall I will give you a call to discuss your meeting with us.

Hugh, again let me thank you for the extra effort you extended in helping us with May-Fly '87 this year.

Sincerely,

CURTISS W. DAUGHTRY, D.D.S.
Chairman
