Dear Hugh,

This letter is to thank you for the outstanding job you did at our airshow on 3 June...what a big difference you made towards its success.

Enclosed is a check for \$100.00 and the Panther patch you requested. I would have liked to up your fee on our initial contact however, money was tight as usual. As it turned out, we had a little extra so consider it a bonus for your work.

I don't know what Myrtle Beach will do next year for an airshow but you are highly recommended by myself and others...maybe you will hear from them.

Thanks again for the great narration and best wishes on your continued success.

Sincerely,

A handwritten signature in cursive script, appearing to read "Tom A. Essig", is written over the typed name.
