Dear Mr Oldham

On behalf of the men and women of Pope AFB, and the many thousands of visitors who enjoyed a truly superb day, I thank you for volunteering your professional services in support of the Pope AFB-Ft Bragg Open House. As the primary Open House narrator, before a record breaking crowd of 225,000, your ability to convey to the public a positive "report to the stockholders" was right on target.

Please pass my personal thanks and sincere appreciation to your wife Linda and son Cliff for their help and assistance. Your professionalism significantly aided in making this year's Open House the best ever. You are always welcome at Pope AFB.

Sincerely
