Dear Mr Oldham

Once again you were outstanding as the narrator for the Pope AFB-Fort Bragg Open House. Your knowledge, skill and imagination added immensely to our show. As you know our Open House was "light" on flying activities and your narration of the flying demonstrations we had, like the An-2 Colt "Big Bubbinski" added greatly to the success of the show. You also kept the audience very entertained during non-flying periods.

I especially want to thank you for putting up your own speakers behind the DV area to extend our public address system coverage. We were again fortunate to have you on the Open House Team and hope you continue to narrate future Open Houses. Thanks for a job well done!

Sincerely

DAVID L. JOHNSON
